ONLINE CLASS
Tuesday, April 28, 5:30 PM—6:30 PM

Rabbi Adam Chalom
of Kol Hadash Humanistic Congregation
has moved his Adult Learning classes online
and graciously offered to open them to guests.

“Zionists”
Rabbi Chalom will discuss the most successful secular movement
in Jewish history—Zionism. It created a Jewish state, revived
Hebrew as a modern secular language, and created a culture that
celebrates human-centered values.

To register for the class, please email Jeremy at
