Seder Cancellation Notice

Our Passover Seder has been among the most joyous of our times together. **It is with great sadness that we are temporarily halting events until further notice.**

*We have made our congregation’s Haggadah available on our home page for your personal use and hope that you find comfort in it during these unprecedented times.*

The current environment has increased our sense of fragility and raised our awareness of just how much we depend upon one another and influence each other’s physical and mental well-being. It tests our resilience, fortitude, compassion, and willingness to unite in the face of adversity.

We extend our deepest hope for your continued health and look forward to the day when we are able to resume our communal programs.

Warmly,

[Secular Humanist Jewish Circle]
